

# English 20-2

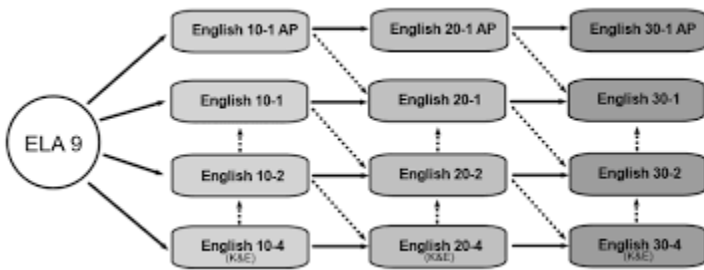

English 20-2 is offered as an **individualized learning** course at the Learning Centres. The teacher is accessible for support via email or by booking an [appointment](#) (phone, virtual meeting, in person) during our hours of operation. Before you ask for help on the assignment, be sure to review all available resources including the practice problems on the course Google Site.

Students will complete the course by working through sections. Sections are composed of lessons which include various resources that allow the student to actively engage in the learning process. Course content and resources are provided online through the course website. Students require their unique **@edu.sturgeon.ab.ca** account for course completion. The course is organized in sequential order and requires a student to start at the top and work down.
